

SITE POLLUTION

In their efforts to meet environmental compliance and regulatory requirements, companies everywhere are facing whole new levels of risk. That's why Starr has developed a broad range of flexible and comprehensive liability products for companies like environmental contracting, consulting and waste facilities. Our experts work with you to address limits of liability that most effectively address your particular risk.

Our ECO STARRSM Site Pollution Liability (SP) policy offers broad, flexible and comprehensive environmental liability insurance for owners and operators of properties on an admitted claims made policy form. The ECO STARRSM SP policy is designed to respond to environmental liabilities resulting from pollution incidents at, under or emanating from your property.
