

# Primary General Casualty

## Overview

Creative, nimble and responsive are three words often associated with Starr's underwriting approach - that's what makes us different. In today's rapidly changing environment, you need the support of experts who ask the tough questions, can turn on a dime and provide solutions that meet insured needs.

It's never been a more challenging time to protect your assets, commercial viability and reputation. From the standard to the complex risks to the myriad of new exposures an expanding business faces, we meet every challenge with expertise, strong underwriting knowledge and customized solutions.
